

The Effects of the Paralympics

Student Activities Sheet

Activity 1

Copy out and complete the diagram below after a group discussion on what you think the effects of the Paralympics have been.

Activity 2

On your diagram colour in all the effects to do with the athletes themselves in *red*.

Colour in all the effects to do with disabled people in general *green*.

Colour in all the effects to do with the rest of the population in *blue*.

Activity 3

Make a list of the *issues* affecting disabled people that you have become aware of while studying this unit. You should have an opportunity to discuss these with your partner and the whole class.

What conclusions did you come to?
